Implementation

Educators will follow and implement this procedure:

- Attempt CPR pursuant to current guidelines.
- Call an Ambulance immediately on 000.
- The Nominated Supervisor will call the parents/guardians of the child and arrange to meet at the Hospital or medical facility.
- Medical staff will advise parents.

- Contact Insurance Company.
- Notify state Police Department.
- Notify Regulatory Authority

Notification of a Serious Incident

The death of a child being educated and cared for at the service, or following an incident while being educated and cared for at the service, is a “serious incident” under the national law. The Approved Provider will notify the regulatory authority as soon as practicable and within 24 hours of the death through the online NQA ITS.

The documentation will be kept until the end of 7 years after the death.

Work Health and Safety (OHS) requirements

The death of a person is a “notifiable incident” under the work, health and safety legislation. The approved provider or nominated supervisor must notify WorkCover by telephone or in writing (including by facsimile or email) as soon as possible after the death. Records of the incident must be kept for at least 5 years from the date that the incident is notified. The approved provider/nominated supervisor must ensure the site where the death occurred is left undisturbed as much as possible until an inspector arrives or as directed by WorkCover.
